Entomological Society of  
New Zealand

## The 2023 NZ Bug of the Year: *Leioproctus fulvescens* – Native Bee

**Native bee populations are declining! Add flowers and other habitat around this bee in the empty space!**

Artist's Name: \_\_\_\_\_ Artist's Age (circle one):    1-5    6-10    11-15    >16yrs  
Parent/Guardian's Name (if artist is under 16yrs): \_\_\_\_\_  
Contact Number: \_\_\_\_\_ Email Address: \_\_\_\_\_

#### How to Enter:

- Draw and colour a habitat around the bee. Be creative and colourful! Don't forget to colour in the bee too!
- Submit your artwork: (Option 1) Drop off the entry at Univ. Otago Dept. Zoology front desk (340 Great King St) or Otago Museum information desk.  
OR (Option 2) Scan and email the entry to [bugoftheyear@ento.org.nz](mailto:bugoftheyear@ento.org.nz)
- Entries need to be submitted by 3:00pm, Thursday 20 April 2023 (Bug Day!). Good luck!

#### Terms and Conditions:

Entries are open to anyone living in New Zealand. The Bug of the Year Colouring Competition closes 3:00pm Thurs, 20 April 2023. The prizes are not transferable or redeemable for cash. Winners will be announced Friday, 21 April. Winners will be notified by telephone/email and the results will be published on the Bug of the Year website (<https://bugoftheyear.ento.org.nz/>), and the Entomological Society of New Zealand Twitter and Facebook. All contact information will be destroyed after prizes are awarded. Prizes must be collected in person (at the Museum or via appointment). Judges' decision will be final. Follow the Entomological Society of New Zealand (@NZEntoSoc) to learn more about Bug of the Year!
